## TIPS & EXPECTATIONS

**Pick up a pre-packed box from  
your car, bike or on foot!**

***NO PAPERWORK NEEDED!***

**1** Please don't visit  
if you are  
experiencing symptoms.

Stay home, feel better  
and send someone to  
pick up for you instead.

**3** Don't arrive to  
the site early.

This will help everyone  
to be served efficiently  
and safely.

Create space in  
your trunk.

If you can't do this, you  
will have the option to  
exit your vehicle to get  
your box.

Visit one site per  
week.

Pick up one box per  
family for up  
to two  
families.
